◆ Stat Wars - Event Structure:

• Round 1 – Stat Hacker (Qualifier Round)

• Round 2 – Mock Auction (Final Round

General Rules:

1. Each team must consist of 2–3 members from the same or different departments.

2. Participants must register through the symposium registration link before the

deadline.

3. Use of mobile phones, calculators, or external help during rounds is strictly prohibited

unless specified.

4. The decision of the event coordinators and judges will be final and binding.

5. Any form of malpractice will lead to immediate disqualification.

Round 1 – Stat Hacker (Data Analysis Round)

• Mode: (pen & paper)

• Time: 20–25 minutes

• Format: 10–12 analytical questions based on a cricket dataset

• Question types include:

    - Multiple-choice

    - Short calculations

    - Logical reasoning

    - Scenario-based decision making

Evaluation Criteria:*

    - Accuracy of answers

- Logical explanation (where applicable)

- Time management

✅ Top 6–8 teams will qualify for Round 2.

Round 2 – Mock Auction (Final Round)

• Each qualified team will receive a virtual budget (e.g., ₹50 Cr).

• A fresh dataset of players will be provided.

• Teams will:

- Bid for players

- Build a balanced team (roles, stats, budget)

- Justify player selections to the jury

Judging Criteria:

• Data-driven decisions

• Budget utilization

• Team composition & logic

• Presentation clarity

- All required datasets will be provided on the event day.

- Teams must submit their responses within the time limit.

- Organizers reserve the right to make changes in the rules if necessary.
